GRANT FUNDING GUIDELINES NORTH REGION

Sustainability

- Individualized asset may be supported by the local jurisdiction, however on-going costs related to regional assets may be supported by SHSGP funds.
- Priority may be given to projects that plan to assume sustainability costs at the jurisdictional level.
- Sustainability costs associated with interoperability may be supported.
- Associated costs to support Level A TLO may need to be supported by the local jurisdiction.
- Associated costs to support Level B and C TLO may be supported through SHSGP funds.

Training and Exercise

- Training and Exercise projects will be accepted under a coordinated effort among County Emergency Managers of the North Region. Regionalized Training and Exercise projects should be organized collectively hosted fiscally by one identified stakeholder

Regional Response Capabilities (SWAT, RRT, HAZMAT, EOD, IMT, Citizen Corps, etc.)

- Priority may be given to projects that support a regional response capability.
- Encourage a project that will complete resource mapping/typing and response range for the North Region.

Interoperability/Information Sharing System

General

- Encourage projects that will promote public emergency information outreach and communications efforts.
